

Medscheme Holdings (Pty) Ltd.

Security statement

Your Medscheme account information is password-protected for your privacy and security. Medscheme safeguards the security of the data you send us with physical, electronic, and managerial procedures. In certain areas of our websites, Medscheme uses industry-standard SSL-encryption to enhance the security of data transmissions. While we strive to protect your personal information, we cannot ensure the security of the information you transmit to us, and so we urge you to take every precaution to protect your personal data.
